This course takes an interdisciplinary approach to the study of families, focusing on race and ethnicity. During the course of the semester we will examine theories and issues around African American and African diaspora families, Asian-American and Asian continental families, Latino-American and Latino-diaspora families, as well as biracial and multi-racial families.

May 16 - June 19, 2014 Mini Semester I

9:00 to 10:30 a.m.
