“The Dean’s Club Scholarship has impacted my life by helping take some of the burden of sending three children through college off of my parents’ shoulders. It allowed me to participate in new experiences, such as a cultural exchange trip to China with Auburn’s Chinese language program. I am so thankful for the Dean’s Club Scholarship because my Auburn experience would look quite different without it.”

The university retains the right to relocate gameday parking allotments, as well as modify or terminate Auburn's gameday parking program, at any time. In compliance with IRS regulations, a non-tax-deductible fee will be required each year for leasing gameday parking spaces and must be paid separately from a donor's qualifying charitable contribution.*
