

For instructions, see "Potty Training Instructions" found on the APMRT website: http://www.cla.auburn.edu/apmrt/foster-parents/

Definitions

- Success: Child voids in the toilet during a scheduled sit or after an independent request to use the bathroom
- Accident: Child voids anywhere except a toilet
- No Success: Child sits on toilet but does not void
- Accident/Success: Child has an accident then successfully uses the toilet within 1 minute of being on the toilet (see "Potty Do's and Don't's" for what to do during an accident)
- **Independent Request:** Child independently asks for the bathroom

We recommend printing the datasheets double sided to conserve paper
