Psychology Minor Curriculum – 15 hours required

PSYC 2010/2013 or 2017 – Introduction to Psychology (3 hours)

*If this course was used to fulfill the Social Science core requirement, an additional Psychology course is required to complete the minor.

Take 3 course from Track A or 3 courses from Track B (9 hours):

Track A Courses

PSYC 3120/3123 – Developmental Psychology
PSYC 3560/3563 – Abnormal Psychology
PSYC 3570/3573 – Theories of Personality
PSYC 3580/3583 – Social Psychology
PSYC 3590/3593 – Psychology in the Work Place

Track B Courses

PSYC 3510/3513 – Behavioral Neuroscience
SPYC 3520/3523 – Psychology of Learning
PSYC 3530 – Sensation and Perception
PSYC 3540/3543 – Cognitive Psychology
PSYC 3620/3623 – Cognitive Neuroscience

Take 1 additional PSYC course at least 3000 level (3 hours)

Calculated GPA in the minor must be at least 2.0

Students must earn a “C” grade or better in each course

At least half of the minor requirements must be taken at Auburn University

Pre-requisites for PSYC courses for minors will be waived but you will need to contact the Psychology Department to be manually registered for PSYC courses.
