EDUCATION

- 2011 – 2013** **Postdoctoral Fellow, Treatment Adherence (pediatric gastroenterology)**
Center for Adherence Promotion and Self-Management
Cincinnati Children’s Hospital Medical Center, Cincinnati, OH
Fellowship Director: Kevin Hommel, Ph.D.
- 2011 – 2013** **Preparing Future Faculty Certificate Program**
University of Cincinnati, Cincinnati, OH
- 2010 – 2011** **Postdoctoral Fellow, Treatment Adherence (pediatric chronic illness)**
Center for Adherence Promotion and Self-Management
Cincinnati Children’s Hospital Medical Center, Cincinnati, OH
Fellowship Director: Dennis Drotar, Ph.D.
- 2010** **Doctor of Philosophy, Clinical Psychology**
Concentration in Clinical Child and Pediatric Psychology
University of Florida, Gainesville, FL
Doctoral Dissertation: Improving antiretroviral medication adherence among adolescents with HIV: A pilot study
Dissertation Co-chairs: David Janicke, Ph.D. & Eileen Fennell, Ph.D., ABPP
- 2009 – 2010** **O’Grady Resident (Psychology Intern – APA Accredited)**
Department of Behavioral Medicine and Clinical Psychology
Cincinnati Children’s Hospital Medical Center, Cincinnati, OH
Internship Director: Lori Crosby, Psy.D.
- 2006** **Master of Science, Clinical Psychology**
University of Florida, Gainesville, FL
Master’s Thesis: The impact of peer victimization, parent distress, and child depression on barrier formation and physical activity levels in overweight youth
Thesis Chair: David Janicke, Ph.D.
- 2004** **Bachelor of Science, Psychology**
Concentration in Developmental Psychology
Duke University, Durham, NC

ACADEMIC APPOINTMENTS

2013 – present **Assistant Professor, Tenure-track**
 Department of Psychology
 College of Liberal Arts & Sciences
 Auburn University
 Auburn, Alabama

HONORS AND AWARDS

2012 **NIH Fellowship**
 NIH Summer Institute on Randomized Behavioral Clinical Trials. Sponsored by the Office of Behavioral and Social Sciences Research and the National Institutes of Health

2010 **Student Poster Award**
 American Psychological Association Convention, Society of Pediatric Psychology

2009 **Graduate Student Council Travel Award**
 University of Florida

2008 **Graduate Student Council Travel Award**
 University of Florida

2008 **Geoffrey Clark-Ryan Memorial Award for Excellence in Pediatric Psychology**
 Department of Clinical and Health Psychology, University of Florida

2007 **David Pilon Scholarship for Training in Professional Psychology**
 American Psychological Association of Graduate Students

2005 – 2008 **T32 Fellowship in Child Treatment Outcomes Research**
 National Institute of Child Health and Human Development

RESEARCH EXPERIENCE

Grant Funding

Foundation

2013 – present **Development of the Self-Management Transition Enhancement Program**
 Crohn's and Colitis Foundation of America
Position: Principal Investigator
Award amount: \$270,000

- 2009 – 2010** **Piloting Behavioral Family Systems Therapy to Improve Adherence Among Adolescents with HIV**
Elizabeth Munsterberg Koppitz Child Psychology Grant, American Psychological Foundation
Position: Principal Investigator
Award amount: \$4,000
- Institutional*
- 2009 – present** **Psychosocial Functioning in Adolescents with Inflammatory Bowel Disease**
Center for Pediatric Psychology and Family Studies, University of Florida
Position: Principal Investigator
Award amount: \$500
- 2009 – 2010** **Impact of Cyberbullying on Psychosocial Functioning in Overweight Youth**
Center for Pediatric Psychology and Family Studies, University of Florida
Position: Principal Investigator
Award amount: \$500
- 2009 – 2010** **Improving Antiretroviral Medication Adherence among Adolescents with HIV**
College of Public Health and Health Professions Graduate Student Research Grant, University of Florida
Position: Principal Investigator
Award amount: \$1,000
- 2008 – 2010** **Improving Antiretroviral Medication Adherence among Adolescents with HIV**
Center for Pediatric Psychology and Family Studies, University of Florida
Position: Principal Investigator
Award amount: \$500
- 2008 – 2010** **Predictors of Weight-based Stigmatization Among Overweight and Non-Overweight Children and their Parents**
Center for Pediatric Psychology and Family Studies, University of Florida
Position: Principal Investigator
Award amount: \$500
- 2006 – 2008** **Psychosocial Factors Related to Adjustment and Disease Activity in Pediatric Inflammatory Bowel Disease**
Center for Pediatric Psychology and Family Studies, University of Florida
Position: Principal Investigator
Award amount: \$500

Research Positions

2011 – 2013

Telehealth Enhancement of Adherence to Medication in Pediatric Inflammatory Bowel Disease (TEAM Study)

Center for the Promotion of Adherence and Self-Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH

Position: Postdoctoral Fellow

Responsibilities: Develop two family-based behavioral interventions to improve medical adherence in adolescents (ages 13-17 years) with inflammatory bowel disease. Serve as primary interventionist for telehealth randomized clinical trial. Train study interventionists. Lead weekly group supervision. NIH and foundation grant writing. Data analysis and manuscript preparation.

Principal Investigator: Kevin Hommel, Ph.D.

Funded by: National Institute of Child Health and Human Development (NICHD; R01 HD067174-01)

2010 – 2011

Facilitating Adherence to Crohn's and Colitis Treatment (FACCT)

Center for the Promotion of Adherence and Self-Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH

Position: Postdoctoral Fellow

Responsibilities: Design manualized group-based behavioral intervention to improve adherence among children and adolescents (ages 11-18 years) with inflammatory bowel disease. Interventionist for in-person and telehealth sessions. Mentored reviewer of journal articles. NIH grant writing.

Principal Investigator: Kevin Hommel, Ph.D.

Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; R03 106927)

2010 – 2011

Novel Adherence Measurement and Intervention in Children with New-Onset Epilepsy

Center for the Promotion of Adherence and Self-Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH

Position: Postdoctoral Fellow

Responsibilities: Interventionist for family-based problem-solving pilot intervention to improve adherence among children (ages 4-12 years) newly diagnosed with epilepsy. Contribute to the training of graduate student interventionists. Mentored review of journal articles. Data analysis and manuscript preparation.

Principal Investigator: Avani Modi, Ph.D.

Funded by: National Institute of Child Health and Human Development (NICHD; K23 HDO57333)

2010 – 2011

Depression in Children and Adolescents with Type 1 Diabetes

Center for the Promotion of Adherence and Self-Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH

Position: Postdoctoral Fellow

Responsibilities: Data analysis and manuscript preparation. Mentored review of journal articles. Participation in monthly research journal club.

Principal Investigator: Korey Hood, Ph.D.

Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; K23 104573)

- 2009 – 2010** **Treatment Adherence and Stress in Crohn’s and Colitis (TASCC)**
Center for the Promotion of Adherence and Self-Management, Cincinnati
Children’s Hospital Medical Center, Cincinnati, OH
Position: Psychology Resident (research rotation)
Responsibilities: Data analysis and manuscript preparation. Grant writing for multi-site, institutionally-funded research study. Mentored review of journal articles.
Principal Investigator: Kevin Hommel, Ph.D.
Funded by: Proctor and Gamble Pharmaceuticals; Prometheus Laboratories
- 2008 – 2009** **Family Lifestyle Intervention Project (FLIP for Kids)**
Department of Clinical and Health Psychology, University of Florida, Gainesville, FL
Position: Graduate Research Assistant
Responsibilities: Project Coordinator for a behavioral family-based weight management program for overweight and obese children enrolled in Florida Medicaid. Assist with treatment manual design, study promotion, and participant recruitment. Supervise graduate and undergraduate research assistants. Serve as primary interventionist for both individualized and group-based treatment conditions.
Principal Investigator: David Janicke, Ph.D.
Funded by: State of Florida Agency for Health Care Administration
- 2005 – 2008** **T32 Child Treatment Outcomes Research Training Grant**
Department of Clinical and Health Psychology, University of Florida, Gainesville, FL
Position: Pre-doctoral Graduate Research Fellow
Responsibilities: Serve as principal investigator of four independent research studies. Train/supervise undergraduate research assistants. Mentor undergraduate senior thesis. Data analysis and manuscript preparation. Training in research and advanced statistical methods.
Supervisors: David Janicke, Ph.D., Stephen Boggs, Ph.D.
Funded by: National Institute of Child Health and Human Development (NICHD; T32 HD007524)
- 2005 – 2007** **Sensible Treatment of Overweight Rural Youth (Project STORY)**
Department of Clinical and Health Psychology, University of Florida, Gainesville, FL
Position: Interventionist
Responsibilities: Co-lead parent and child weight management groups for families living in medically under-served rural areas. Assist with treatment planning, assessment, and data collection.
Principal Investigator: David Janicke, Ph.D.
Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; R34 DK071555)

2005 – 2007

Treatment of Overweight Rural Youth (Project TORY)

Department of Clinical and Health Psychology, University of Florida, Gainesville, FL

Position: Graduate Research Assistant

Responsibilities: Conduct screening and assessments for families enrolled in a community-based weight management program. Supervised research assistants involved with the project, assist with participant recruitment, and prepare treatment materials. Serve as a co-interventionist in parent group focused on child weight management.

Principal Investigator: David Janicke, Ph.D.

Funded by: University of Florida Institute for Child and Adolescent Research and Evaluation

TEACHING EXPERIENCE

Undergraduate Courses

<i>University of Cincinnati</i>	<u>Child Health Psychology</u> – upper-level lecture course <u>Research Methods: Child Health and Mental Health</u> – online capstone course
<i>University of Florida</i>	<u>Critical Thinking in Health Care</u> – upper-level seminar course <u>Introduction to Clinical Child/Pediatric Psychology</u> – upper-level lecture course

Graduate Courses

<i>Auburn University</i>	<u>Clinical Practicum</u> – Child, Adolescent, and Family Therapy – combined clinical didactics and supervision
--------------------------	---

Graduate Student Mentoring

1. Glynnis O'Shea, Columbia University – Society of Pediatric Psychology Mentorship Program Mentor (2011 – present)
2. Lauren Perazzo, Xavier University – Internship Preparation Mentor (2011 – 2012); Research mentor (2011 – present)

Undergraduate Student Mentoring

1. Karen Carrasco, University of Texas at Dallas, Hispanic Scholarship Fund – 2nd Year Success Program mentor (2012 – 2013)

2. Selena Jackson, University of South Alabama – Ethnic Minority Enrichment in Research and Graduate Education (EMERGE) program mentor (2012 – present)
3. Elizabeth Morales, University of Cincinnati – Ethnic Minority Enrichment in Research and Graduate Education [EMERGE] program mentor (2011)
4. Alejandra Hernandez, University of Florida – Research mentor (2009)
5. Simone Sherman, University of Florida – Research mentor (2004 – 2007)
6. Kristin Wistedt, University of Florida – Senior Thesis Mentor (2008)

Guest Lectures/Invited Presentations

1. Zeller, M. H., & **Gray, W. N.** (October 2012). Building a professional curriculum vitae. *Invited speaker at the O'Grady Residency Didactic Seminar, Department of Behavioral Medicine and Clinical Psychology, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.*
2. **Gray, W. N.** (June 2012). Women of color in psychology. *Panelist in Ethnic Minority Enrichment in Research and Graduate Education (EMERGE) Program, University of Cincinnati, Cincinnati, OH.*
3. **Gray, W. N.** (May 2012). Setting yourself up for success: Planning for fellowship and beyond. *Invited speaker at the O'Grady Residency Didactic Seminar, Department of Behavioral Medicine and Clinical Psychology, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.*
4. **Gray, W. N.** (May 2012). Health, stress, and coping. *Guest lecture for undergraduate Introduction to Psychology course, University of Cincinnati, Cincinnati, OH.*
5. **Gray, W. N.** (March 2012). Moving from internship to professional practice: Preparation for licensure. *Presented at the O'Grady Residency Didactic Seminar, Department of Behavioral Medicine and Clinical Psychology, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.*
6. **Gray, W. N.** (January 2012). Treatment of pediatric chronic pain. *Guest lecture for Chronic Disease and Self-Management course, Cincinnati State University, Cincinnati, OH.*
7. **Gray, W. N.** (January 2012). Treating needle phobia within a cultural context: Rewards, challenges, and lessons learned. *Invited presentation at the Department of Psychology Clinical Case Conference, University of Cincinnati, Cincinnati, OH.*
8. **Gray, W. N.** (January 2012). Technology in chronic illness management: Review of existing technologies and implications for pediatric care. *Invited presentation at the Adherence Center Seminar Series, Center for the Promotion of Treatment Adherence and Self-Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.*
9. **Gray, W. N.** (October 2011). Chronic pain. *Guest lecture for undergraduate Health Psychology course, University of Cincinnati, Cincinnati, OH.*
10. **Gray, W. N.** (September 2011). Competencies during graduate school and internship. *Guest lecture for graduate psychology Ethics course, University of Cincinnati, Cincinnati, OH.*

11. **Gray, W. N.** (June 2011). Applying to graduate school in psychology. *Panelist in Ethnic Minority Enrichment in Research and Graduate Education (EMERGE) Program, University of Cincinnati, Cincinnati, OH.*
12. **Gray, W. N.** (November 2010). Pediatric HIV: Primary psychosocial issues and clinical illustrations. *Invited presentation at the Center for the Promotion of Treatment Adherence and Self-Management Clinical Service Volunteer Seminar, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.*
13. **Novoa, W.** (November 2006). Pediatric obesity: Prevalence, consequences, and psychosocial functioning. *Guest lecturer for undergraduate Introduction to Clinical Child and Pediatric Psychology course, University of Florida, Gainesville, FL.*

CLINICAL EXPERIENCE

2011 – present

Postdoctoral Fellowship, Center for the Promotion of Treatment Adherence and Self-Management, Cincinnati Children's Hospital Medical Center
Clinical rotations in:

Pediatric Inflammatory Bowel Disease: Clinic-based consultative services for children and adolescents with inflammatory bowel disease. Implementation and integration of a standardized psychosocial screening protocol into clinical practice.

Supervisor: Michael Mellon, Ph.D.

Pediatric Small Bowel Transplantation: Brief psychosocial screening and consultative services within a multidisciplinary comprehensive nutrition center for children and adolescents who are pre- or post-small bowel and liver transplant.

Supervisor: Sandra Cortina, Ph.D.

Clinical Service in Treatment Adherence: Outpatient assessment and intervention for children, adolescents, and families referred for behavioral factors impacting adherence to medical treatment.

Supervisor: Sandra Cortina, Ph.D.

2009 – 2010

Psychology Residency, Cincinnati Children's Hospital Medical Center
Clinical rotations in:

Pediatric chronic pain: Clinic-based interdisciplinary assessment of chronic pain in children and adolescents. Outpatient cognitive-behavioral treatment of chronic pain utilizing biofeedback-assisted relaxation.

Supervisor: Anne Lynch-Jordan, Ph.D.

Developmental disabilities: Multidisciplinary intellectual and behavioral assessment of children with developmental delay.

Supervisor: David Smith, Ph.D.

Consultation-liaison: Inpatient consultation and intervention as part of a multidisciplinary team.

Supervisors: Michelle Ernst, Ph.D., Carrie Piazza-Waggoner, Ph.D.

Pediatric diabetes: Outpatient treatment of non-adherence and emotional and behavioral concerns in clinic-referred children and adolescents with diabetes.
Supervisor: Peggy Crawford, Ph.D.

Pediatric epilepsy: Interdisciplinary, brief clinic-based assessments and psychosocial screening.
